## **Disclaimer**

### **Legal Disclaimer**

The contents of the documents and information on the Power Practice Limited platform are based solely on our assessments and understanding of the referenced documents and information sources and are intended for informational purposes only. They are not intended to be nor should they be interpreted as legal advice or opinion. The reader is advised to seek legal advice for proper guidance and interpretation. Reference to any specific product or entity does not constitute an endorsement or recommendation by Power Practice Limited. The reader should not rely on information presented here for any legal purpose and should always seek legal advice in the appropriate jurisdiction and from properly constituted authority. Any reliance placed on available information is strictly at the user's own risk. Power Practice Limited will not be liable in any form for any consequential damages or loss of profit arising out of or in connection with the user's reliance on information obtained from the website.

### **Third Party Website Disclaimer**

Power Practice Limited disclaims any liability for all information, materials, products, and services offered by any third-party websites which Power Practice Limited does not control and is accessed through links on this website. The links to the websites are placed for general information purposes only and thus, Power Practice Limited makes no representations or warranties, express or implied, towards the suitability, availability, and viability of the products and services offered on these third-party sites. Power Practice Limited will not be liable in any form for any consequential damages or loss of profit arising out of or in connection with the user's engagement with the products and services on the third-party sites.

### **No responsibility Disclaimer**

While every effort is put in towards the sustenance of this website for access to all, Power Practice Limited will not be liable in any form whatsoever, for any consequential damages or losses of profit arising out of or in connection

with the unavailability of the website due to technical defaults beyond our control.

### **Fair Use and Content Disclaimer**

This website contains copyrighted material, the use of which may not have been specifically authorized by the copyright owner(s). We are making such material available for the purpose of clarifying the landscape of the energy sector in Nigeria and different countries to interested parties. We believe this constitutes a 'fair use' of such materials as provided for within the relevant Copyrights Act which allows for the use of copyright materials in research and the reporting of current events. The materials on this site are in turn distributed without profit to those who express interests in receiving the materials for educational or research purposes. If you wish to use the materials for purposes outside the given scope, prior consent must be obtained from Power Practice Limited.
